Students Participating in Academics and Recreation for
Knowledge and Success

Larson S.P.A.R.K.S.

**Staff: Paula Goyt, Therese Haley, Teri Meeker,
Pam Norton, Melody Wadle, Chad Woodcraft
and Mickey Talley**

*Made possible through a grant from
Michigan Department of Education*

**Welcome to our
2009—2010**

Larson P.M.

**S.p.a.r.k.s. After-
school Program!**

Our first two weeks were great! We'd like to thank our parents for being so patient the first few nights of transit running!

If you have a question please either write a note and send it with your child to school,

or call me at my desk 630-5028, or my cell 965-5673.

We do have some special events

coming up, and I like to include in the list, any events that Larson Elementary School is planning. So please look through the column that has Special dates or events coming up for this information.

**Keep information
Current!**

Parents and guardians, please be sure to keep us posted on your current emergency phone numbers just in case we need to contact you.

Name on Everything

Be sure to put your child/ren's name(s) on their things! It really, really helps us out to keep track of who belongs to what, especially with the colder weather coming and the extra clothing that the children will be wearing.

**Upcoming Events For
October**

Oct. 6th, Tuesday -
Larson Picture Day **and**
Larson's Open House
(5:00 p.m. —6:30 p.m.)

Oct. 9th, Friday -

enrolled in it.)

Oct. 14th, Wednesday -
No School for Students

Oct. 29th Thursday -
No P.M. S.p.a.r.k.s.
for Harrison Schools
(only Latchkey for
those enrolled in it.)

November 1st, Sunday -
Daylight Savings Time
Ends. (We turn the
clocks back an hour.)

Parents Picking up your child(ren)...we appreciate all the time we have to work with your child. Please pick them up at the end of the program, which 5:25 p.m. Thank you.

S.p.a.r.k.s. Sessions

We are doing 2 sessions in our Larson S.p.a.r.k.s. instead of three sessions like we did last year. It is important that your child stay for both sessions. So parents who pick up their

children, please pick them up at 5:25 p.m. We don't want them missing out on anything we've planned for the evening. Attached is a paper with ideas for nutrition you and your child can try together.

Toothless!

Lastly, on the cute side, one of our Larson students was showing me that they're losing their front tooth. When I asked if they were worried about having a hole in the front of their mouth, they replied, "No. Now I can spray everyone when I talk to them!" She then gave me a beautiful smile!
