

## Clare-Gladwin RESD Snow Removal Bid Request

Clare-Gladwin RESD is accepting bids for 2021-22 snow removal. Snow removal, including parking lots, driveways and sidewalks, is expected when snow accumulation reaches 2 inches, with salting as necessary for parking lots and driveways. All snow removal must be completed by 6:30 a.m. on weekdays. Sidewalk salt will be provided by the school district for the snow removal company to spread on sidewalks using our salt spreaders. Salt for the parking lots and driveways is to be provided and spread by the snow removal company with its own equipment. Pricing needs to be broken down between each of our three campuses (Administration, Area School & Magnus Center) per snow removal and price per salting. A copy of the bidder's liability insurance is required.

Bidders are required to contact the Operations Director at Clare-Gladwin RESD to setup an appointment to review the snow removal locations (989-386-3851). Bids are to be sent to Clare-Gladwin RESD Administration building at 4041 E Mannsiding Rd, Clare, MI 48617 by 4 p.m. September 24, 2021. The board of education reserves the right to accept or reject any or all bids.
